

RoIP / Marine communication solution

Ship installation

IC-F5061D VHF Digital Transceiver

or / IC-F9511HT

IC-M506 VHF Marine Transceiver

IC-M506

IC-M802 HF Marine Transceiver

IC-M802

Land mobile / Car installation

IC-F5061D VHF / UHF transceiver **IC-F3161D / F4161Series**

IC-F3161D Series VHF and UHF Transceivers

Shore / land installation

Remote center -13 locations shore

VHF Digital ICOM

IC-FR5000 Series VHF Repeaters or **CY-5000** All-In-One, Digital + Analog Base/Repeater (four channels)

VE-PG3 RoIP Gateway (two set / loc)

IC-FR5000 Series

VE-PG3

HF SSB analog - 13 Locations shore

IC-M802 /**m801** ICOM HF Marine Transceiver (two set / two channel – link)

ZETRON 6300 RoIP Gateway (or similar ICOM product)

Main Control center shore – 2 locations

VHF ICOM

VE-PG3 RoIP Gateway

Voting Receiver

RC-FS10 IDAS Remote Communicator

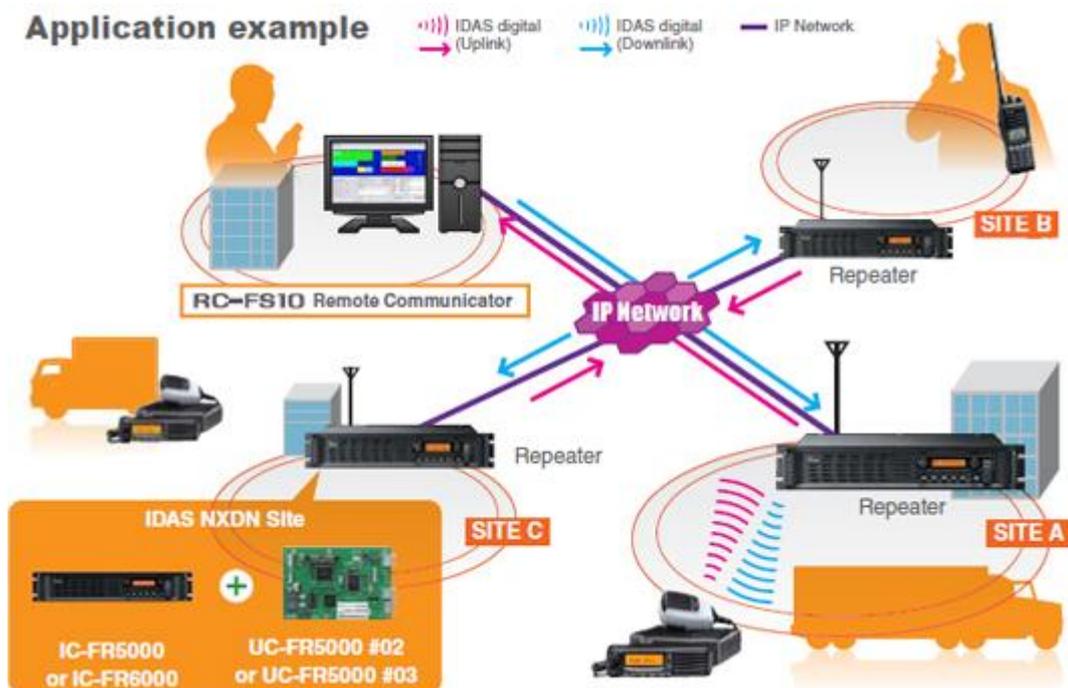

RC-FS10

VotingReceiver

VE-PG3

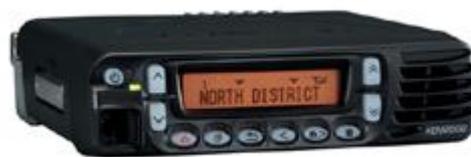

Application example

MF/HF shore – Control centre

IC-M802 ICOM HF Marine Transceiver

ZETRON 6300 RoIP Gateway (or similar ICOM product)

Radio Control Equipment
